Very much looking forward to playing three gigs at the Edinburgh Fringe. Not exactly sure what I've set up here but something'll happen. Expect songs, stories and an hour of grounded, fierce, peaceful, fun.

LATEST GIGS

“Mairi Campbell transcends the role of performer and encompasses music itself; it just pours out of her like a love letter to the mysticism of traditional music”

Eric Rothe Ediburgh Guide *****

“Campbell’s irresistible heart-harped love-letter to a song and her life is both melodic and a tribally primal skein of disparate threads – it rocks with the ages past and present, salves with cathartic balm.”

Edinburgh Reporter *****
